Paris Exposition Prizes.

The United States received more prizes at the Paris Exposition than any other nation except France, the total being 1,981. It is also a remarkable fact, that though the inhabitants of every country every clime offers some alleviative therefrom, it remains for America to produce an absolutely reliable remedy for such common diseases. This remedy is Hostetter's Stomach Bitters. Haif a century ago, it was placed upon the market, and from that day to this, it has never been equalied. It has almost an unparalleled record for the cure of dyspepsia, indigestion, constipation, sick headache, sour stomach, beighing, heartburn, nervousness, fatigue, insomnia or any other disturbance of the stomach Be sure to give it a trial.

Not Just As Good As the McCormick.

Why is it that agents for all other machines claim theirs are "JUST ASGOOD as the McCORMICK." Simply because they KNOW McCormick machines are the RECOGNIZED STANDARD by farmers and EVERY. ONE ELSE. So they tell you they are JUST AS GOOD at a LESS PRICE. If they were JUST as GOOD WHY should they SELL for LESS MONEY? Their PRICES are THEIR ADMISSION of McCORMICK'S SUPERIORITY. On account of what our LEADING FARMERS say of them, we claim and CAN PROVE that the McCORMICK MACHINES ARE THE BEST, STRONGEST and MOST CONVENIENTLY MADE machines in EXISTENCE, and SELL for the MOST MONEY. REPAIRS ALWAYS on HAND. Your MACHINES ALWAYS TAKEN CARE OF. Come and see the 1901 samples.
